Item 3.03. Material Modification to Rights of Security Holders.

On June 8, 2016, Mitcham Industries, Inc. (the “Company”) filed a Certificate of Designations (the “Certificate of Designations”) with the Secretary of State of the State of Texas, establishing the rights, preferences, privileges, qualifications, restrictions and limitations of a new series of its preferred stock designated as the 9.00% Series A Cumulative Preferred Stock (the “Preferred Stock”). The Certificate of Designations was filed in connection with the issuance and sale of 320,000 shares of the Preferred Stock pursuant to that certain Underwriting Agreement, dated June 2, 2016, by and between the Company and Ladenburg Thalmann & Co. Inc.

The Preferred Stock ranks (i) senior to the Company’s common stock and all other equity securities of the Company that may be issued in the future with terms that do not expressly provide that those equity securities rank on parity with or senior to the Preferred Stock with respect to rights to the payment of dividends and the distribution of assets on any liquidation, dissolution or winding up of the Company, (ii) on parity with all equity securities of the Company that may be issued in the future with terms expressly providing those equity securities rank on parity with the Preferred Stock with respect to rights to the payment of dividends or the distribution of assets on any liquidation, dissolution or winding up of the Company, (iii) junior to all equity securities of the Company that may be issued in the future with terms specifically providing that those equity securities rank senior to the Preferred Stock with respect to rights to the payment of dividends or the distribution of assets on any liquidation, dissolution or winding up of the Company and (iv) effectively junior to all existing and future indebtedness (including indebtedness convertible into the Company’s common stock or Preferred Stock) of the Company and to any indebtedness and other liabilities of (as well as any preferred equity interest held by others in) existing subsidiaries of the Company.

The terms of the Preferred Stock are more fully described in the Certificate of Designations, which is included as Exhibit 3.1 to this Current Report on Form 8-K and is incorporated by reference herein.

Item 5.03. Amendments to Articles of Incorporation or Bylaws; Change in Fiscal Year

On June 8, 2016, the Company filed the Certificate of Designations with the Secretary of State of the State of Texas, which became effective on June 8, 2016, establishing the Company’s Preferred Stock, initially consisting of 320,000 authorized shares, \$1.00 par value and \$25.00 liquidation value per share.

Holders of Preferred Stock are entitled to receive dividends, when, as and if declared by the Company’s Board of Directors, out of legally available funds for such purposes. Dividends on the shares of Preferred Stock will be cumulative from the original date of issue and payable quarterly in arrears on the last day of January, April, July and October. Dividends on the shares of Preferred Stock will be payable from and including June 3, 2016 at the rate of 9.00% on \$25.00 per share of the Preferred Stock per annum (equivalent to \$2.25 per annum per share). The initial dividend on the Preferred Stock will be paid on August 1, 2016 in an amount equal to \$0.35625 per share.

The Preferred Stock has a liquidation preference of \$25.00 per share, plus any accumulated and unpaid dividends to, but not including, the date of payment before any payment is made to the holders of the Company’s common stock. Liquidating distributions will be made on the Preferred Stock only to the extent the Company’s assets are available after satisfaction of all liabilities to creditors and subject to the rights of holders of any security ranking senior to the Preferred Stock, and pro rata with any other shares of the Company’s equity securities ranking on a parity with the Preferred Stock as to such distributions. After payment of the full amount of the liquidating distribution, holders of the Preferred Stock are not entitled to any further participation in any distribution of the Company’s assets.

The Preferred Stock has no stated maturity date, is not subject to any mandatory redemption, sinking fund or other similar provisions and will remain outstanding unless repurchased or redeemed by the Company or converted into its common stock in connection with a change of control. Except upon a change of control of the Company, (i) the Preferred Stock is not convertible into, or exchangeable for, any of the Company’s other property or securities and (ii) the Preferred Stock may not be redeemed before June 8, 2021. On or after June 8, 2021 the Preferred Stock may be redeemed at the Company’s option for \$25.00 per share in cash plus any accumulated and unpaid dividends thereon to, but not including, the date fixed for redemption. Upon a change of control, each holder of the Preferred Stock will have the right to convert some or all of its shares of Preferred Stock into a number of shares of common stock per share of the Preferred Stock equal to the lesser of (i) the conversion rate specified in the Certificate of Designations and (ii) 25 shares of common stock per share of Preferred Stock, subject to certain adjustments. The Preferred Stock has no preemptive rights.

The Preferred Stock has no voting rights except with respect to (i) authorizing, increasing the authorized amount of, or issuing any capital stock ranking senior to the Preferred Stock, (ii) authorizing adverse changes in the terms of the Preferred Stock, (iii) potential amendments to the Articles of Incorporation that have a material adverse effect on the existing terms of the Preferred Stock, (iv) in the case of certain dividend nonpayments, electing directors, (v) certain other fundamental corporate events, and (vi) as otherwise required under applicable law.

The description of the Certificate of Designations contained in this Item 5.03 is qualified in its entirety by reference to the full text of the Certificate of Designations, which is filed as Exhibit 3.1 hereto and is incorporated by reference herein.

Item 9.01 Financial Statements and Exhibits.

Description

3.1 Certificate of Designations of the 9.00% Series A Cumulative Preferred Stock.

MITCHAM INDUSTRIES, INC.

CERTIFICATE OF DESIGNATIONS, PREFERENCES AND RIGHTS
OF
9.00% SERIES A CUMULATIVE PREFERRED STOCKPursuant to Section 21.155 of the
Texas Business Organizations Code

Mitcham Industries, Inc., a Texas corporation (the “Company”), hereby certifies that the following resolution was adopted by the Board of Directors of the Company (the “Board of Directors”) pursuant to the authority of the Board of Directors as required by Section 21.155 of the Texas Business Organizations Code.

RESOLVED, that pursuant to the authority granted to the Board of Directors in accordance with the provisions of the Company’s Amended and Restated Articles of Incorporation (the “Articles of Incorporation”), the Board of Directors hereby authorizes a series of the Company’s previously authorized Preferred Stock, par value \$1.00 per share (the “Preferred Stock”), and hereby states the designation and number of shares, and fixes the relative rights, preferences, privileges and restrictions thereof as follows:

1. Designation and Amount. The shares of such series of Preferred Stock shall be designated as “9.00% Series A Cumulative Preferred Stock” (the “Series A Preferred Stock”) and the number of shares initially constituting such series shall be 320,000 shares.

2. No Maturity, Sinking Fund, Mandatory Redemption. The Series A Preferred Stock has no stated maturity and will not be subject to any sinking fund or mandatory redemption, and will remain outstanding indefinitely unless (i) the Company decides to redeem or otherwise repurchase the Series A Preferred Stock or (ii) the Series A Preferred Stock becomes convertible and is actually converted pursuant to Section 7 hereof. The Company is not required to set aside funds to redeem the Series A Preferred Stock.

3. Ranking. The Series A Preferred Stock will rank, with respect to rights to the payment of dividends and the distribution of assets in the event of any liquidation, dissolution or winding up of the Company, (i) senior to all classes or series of the Company’s Common Stock, par value \$0.01 per share (the “Common Stock”), and to all other equity securities issued by the Company other than equity securities referred to in clauses (ii) and (iii) of this Section 3; (ii) on parity with all equity securities issued by the Company with terms specifically providing that those equity securities rank on parity with the Series A Preferred Stock with respect to rights to the payment of dividends and the distribution of assets upon any liquidation, dissolution or winding up of the Company; (iii) junior to all equity securities issued by the Company with terms specifically providing that those equity securities rank senior to the Series A Preferred Stock with respect to rights to the payment of dividends and the distribution of assets upon any liquidation, dissolution or winding up of the Company; and (iv) effectively junior to all existing and future indebtedness (including indebtedness convertible into our Common Stock or Preferred Stock) of the Company and to any indebtedness and other liabilities of (as well as any preferred equity interest held by others in) existing subsidiaries of the Company. The term “equity securities” shall not include convertible debt securities.

4. Dividends.

(a) Holders of shares of the Series A Preferred Stock are entitled to receive, when, as and if declared by the Board of Directors, out of funds of the Company legally available for the payment of dividends, cumulative cash dividends at the rate of 9.00% on \$25.00 per share of the Series A Preferred Stock per annum (equivalent to \$2.25 per annum per share). Dividends on the Series A Preferred Stock issued in connection with the Company's public offering of Series A Preferred Stock on June 8, 2016 (including any shares of Series A Preferred Stock which may be issued in connection with the over-allotment option related to such public offering) shall accrue daily and shall be cumulative from, and including, June 3, 2016 (the "Original Issue Date") and shall be payable quarterly in arrears on or about the last day of January, April, July and October of each year, beginning on August 1, 2016 (each, a "Dividend Payment Date"); provided, that if any Dividend Payment Date is not a Business Day (as defined below), then the dividend which would otherwise have been payable on that Dividend Payment Date may be paid on the next succeeding Business Day with the same force and effect as if paid on such Dividend Payment Date and no interest, additional dividends or other sums will accumulate on the amount so payable for the period from and after such Dividend Payment Date to such next succeeding Business Day. Any dividend payable on the Series A Preferred Stock, including dividends payable for any partial dividend period, will be computed on the basis of a 360-day year consisting of twelve 30-day months. Dividends will be payable to holders of record as they appear in the stock records of the Company for the Series A Preferred Stock at the close of business on the applicable record date, which shall be the 15th day of January, April, July and October of each year, whether or not a Business Day, in which the applicable Dividend Payment Date falls (each, a "Dividend Record Date"). The dividends payable on any Dividend Payment Date shall include dividends accumulated to, but not including, such Dividend Payment Date.

(b) No dividends on shares of Series A Preferred Stock shall be authorized by the Board of Directors, or paid or set apart for payment by the Company at any time when the terms and provisions of any agreement of the Company, including any agreement relating to any indebtedness of the Company, prohibit the authorization, payment or setting apart for payment thereof or provide that the authorization, payment or setting apart for payment thereof would constitute a breach of the agreement or a default under the agreement, or if the authorization, payment or setting apart for payment shall be restricted or prohibited by law.

(c) Notwithstanding anything to the contrary contained herein, dividends on the Series A Preferred Stock will accumulate whether or not the Company has earnings, whether or not there are funds legally available for the payment of those dividends and whether or not those dividends are declared by the Board of Directors. No interest, or sum in lieu of interest, will be payable in respect of any dividend payment or payments on the Series A Preferred Stock which may be in arrears, and holders of the Series A Preferred Stock will not be entitled to any dividends in excess of full cumulative dividends described in Section 4(a). Any dividend payment made on the Series A Preferred Stock shall first be credited against the earliest accumulated but unpaid dividend due with respect to the Series A Preferred Stock.

(d) Except as provided in Section 4(e), unless full cumulative dividends on the Series A Preferred Stock have been or contemporaneously are declared and paid or declared and a sum sufficient for the payment thereof has been or contemporaneously is set apart for payment for all past dividend periods, (i) no dividends (other than in shares of Common Stock or in shares of any series of Preferred Stock that the Company may issue ranking junior to the Series A Preferred Stock as to the payment of dividends and the distribution of assets upon liquidation, dissolution, or winding up) shall be declared or paid or set aside for payment upon shares of Common Stock or Preferred Stock that the Company may issue ranking junior to or on a parity with the Series A Preferred Stock as to the payment of dividends, or upon liquidation, dissolution, or winding up, (ii) no other distribution shall be declared or made upon shares of Common Stock or Preferred Stock that the Company may issue ranking junior to or on a parity with the Series A Preferred Stock as to the payment of dividends, or the distribution of assets upon liquidation, dissolution, or winding up, and (iii) any shares of Common Stock and Preferred Stock that the Company may issue ranking junior to, or on a parity with the Series A Preferred Stock as to the payment of dividends, or the distribution of assets upon liquidation, dissolution, or winding up, shall not be redeemed, purchased or otherwise acquired for any consideration (or any moneys be paid to or made available for a sinking fund for the redemption of any such shares) by the Company (except by conversion into or exchange for other capital stock of the Company that it may issue ranking junior to the Series A Preferred Stock as to the payment of dividends, or the distribution of assets upon liquidation, dissolution, or winding up).

(e) When dividends are not paid in full (or a sum sufficient for such full payment is not so set apart) upon the Series A Preferred Stock and upon the shares of any other series of Preferred Stock that the Company may issue ranking on a parity as to the payment of dividends with the Series A Preferred Stock, all dividends declared upon the Series A Preferred Stock and any other series of Preferred Stock that the Company may issue ranking on parity as to the payment of dividends with the Series A Preferred Stock shall be declared pro rata so that the amount of dividends declared per share of Series A Preferred Stock and such other series of Preferred Stock that the Company may issue shall in all cases bear to each other the same ratio that accrued dividends per share on the Series A Preferred Stock and such other series of Preferred Stock that the Company may issue (which shall not include any accrual in respect of unpaid dividends for prior dividend periods if such Preferred Stock does not have a cumulative dividend) bear to each other. No interest, or sum of money in lieu of interest, shall be payable in respect of any dividend payment or payments on the Series A Preferred Stock that may be in arrears.

(f) "Business Day" shall mean any day, other than a Saturday or Sunday, that is neither a legal holiday nor a day on which banking institutions in New York, New York are authorized or required by law, regulation or executive order to close.

5. Liquidation Preference.

(a) In the event of any voluntary or involuntary liquidation, dissolution or winding up of the Company, the holders of shares of Series A Preferred Stock will be entitled to be paid out of the assets the Company has legally available for distribution to its shareholders, subject to the preferential rights of the holders of any class or series of capital stock of the Company that it may issue ranking senior to the Series A Preferred Stock with respect to the distribution of assets

upon liquidation, dissolution or winding up, a liquidation preference of Twenty-Five Dollars (\$25.00) per share plus an amount equal to any accumulated and unpaid dividends to, but not including, the date of payment, before any distribution of assets is made to holders of Common Stock or any other class or series of capital stock of the Company that it may issue that ranks junior to the Series A Preferred Stock as to liquidation rights. The liquidation preference shall be proportionately adjusted in the event of a stock split, stock combination or similar event so that the aggregate liquidation preference allocable to all outstanding shares of Series A Preferred Stock immediately prior to such event is the same immediately after giving effect to such event.

(b) In the event that, upon any such voluntary or involuntary liquidation, dissolution or winding up, the available assets of the Company are insufficient to pay the amount of the liquidating distributions on all outstanding shares of Series A Preferred Stock and the corresponding amounts payable on all shares of other classes or series of capital stock of the Company that it may issue ranking on a parity with the Series A Preferred Stock in the distribution of assets, then the holders of the Series A Preferred Stock and all other such classes or series of capital stock shall share ratably in any such distribution of assets in proportion to the full liquidating distributions to which they would otherwise be respectively entitled.

(c) Holders of Series A Preferred Stock will be entitled to written notice of any such liquidation, dissolution or winding up no fewer than 30 days and no more than 60 days prior to the payment date. After payment of the full amount of the liquidating distributions to which they are entitled, the holders of Series A Preferred Stock will have no right or claim to any of the remaining assets of the Company. The consolidation or merger of the Company with or into any other corporation, trust or entity or of any other entity with or into the Company, or the sale, lease, transfer or conveyance of all or substantially all of the property or business the Company, shall not be deemed a liquidation, dissolution or winding up of the Company.

6. Redemption.

(a) The Series A Preferred Stock is not redeemable by the Company prior to June 8, 2021, except as described in this Section 6.

(b) Optional Redemption Right. On and after June 8, 2021, the Company may, at its option, upon not less than 30 nor more than 60 days' written notice, redeem the Series A Preferred Stock, in whole or in part, at any time or from time to time, for cash at a redemption price of Twenty-Five Dollars (\$25.00) per share, plus any accumulated and unpaid dividends thereon to, but not including, the date fixed for redemption. If the Company elects to redeem any shares of Series A Preferred Stock as described in this Section 6(b), it may use any available cash to pay the redemption price, and it will not be required to pay the redemption price only out of the proceeds from the issuance of other equity securities or any other specific source.

(c) Special Optional Redemption Right. Notwithstanding anything to the contrary contained in Section 6(a), upon the occurrence of a Change of Control, the Company may, at its option, upon not less than 30 nor more than 60 days' written notice, redeem the Series A Preferred Stock, in whole or in part, within 120 days after the first date on which such Change of Control occurred, for cash at a redemption price of Twenty-Five Dollars (\$25.00) per share, plus any accumulated and unpaid dividends thereon to, but not including, the redemption date. If,

prior to the Change of Control Conversion Date (as hereinafter defined), the Company has provided notice of its election to redeem some or all of the shares of Series A Preferred Stock pursuant to this Section 6, the holders of Series A Preferred Stock will not have the Change of Control Conversion Right (as hereinafter defined) with respect to the shares called for redemption. If the Company elects to redeem any shares of Series A Preferred Stock as described in this Section 6(c), it may use any available cash to pay the redemption price, and it will not be required to pay the redemption price only out of the proceeds from the issuance of other equity securities or any other specific source.

(d) A “Change of Control” is deemed to occur when, after the Original Issue Date, the following have occurred and are continuing: (i) the acquisition by any person, including any syndicate or group deemed to be a “person” under Section 13(d)(3) of the Securities Exchange Act of 1934, as amended (the “Exchange Act”), of beneficial ownership, directly or indirectly, through a purchase, merger or other acquisition transaction or series of purchases, mergers or other acquisition transactions of stock of the Company entitling that person to exercise more than 50% of the total voting power of all stock of the Company entitled to vote generally in the election of directors of the Company (except that such person will be deemed to have beneficial ownership of all securities that such person has the right to acquire, whether such right is currently exercisable or is exercisable only upon the occurrence of a subsequent condition); and (ii) following the closing of any transaction referred to in clause (i), neither the Company nor the acquiring or surviving entity has a class of common securities (or American Depositary Receipts representing such securities) listed on the New York Stock Exchange (the “NYSE”), the NYSE MKT LLC (the “NYSE MKT”) or the Nasdaq Stock Market (“Nasdaq”), or listed or quoted on an exchange or quotation system that is a successor to the NYSE, the NYSE MKT or Nasdaq.

(e) In the event the Company elects to redeem Series A Preferred Stock, the notice of redemption will be mailed by the Company, postage prepaid, not less than 30 nor more than 60 days prior to the redemption date, to each holder of record of Series A Preferred Stock called for redemption at such holder’s address as it appears on the stock transfer records of the Company and shall state: (i) the redemption date; (ii) the number of shares of Series A Preferred Stock to be redeemed; (iii) the redemption price; (iv) the place or places where certificates (if any) for the Series A Preferred Stock are to be surrendered for payment of the redemption price; (v) that dividends on the shares to be redeemed will cease to accumulate on the redemption date; (vi) whether such redemption is being made pursuant to Section 6(b) or Section 6(c); (vii) if applicable, that such redemption is being made in connection with a Change of Control and, in that case, a brief description of the transaction or transactions constituting such Change of Control; and (viii) if such redemption is being made in connection with a Change of Control, that the holders of the shares of Series A Preferred Stock being so called for redemption will not be able to tender such shares of Series A Preferred Stock for conversion in connection with the Change of Control and that each share of Series A Preferred Stock tendered for conversion that is called, prior to the Change of Control Conversion Date (as defined below), for redemption will be redeemed on the related date of redemption instead of converted on the Change of Control Conversion Date. If less than all of the shares of Series A Preferred Stock held by any holder are to be redeemed, the notice mailed to such holder shall also specify the number of shares of Series A Preferred Stock held by such holder to be redeemed. No failure to give such notice or any defect thereto or in the mailing thereof shall affect the validity of the proceedings for the redemption of any shares of Series A Preferred Stock except as to the holder to whom notice was defective or not given.

(f) Holders of Series A Preferred Stock to be redeemed shall surrender the Series A Preferred Stock at the place designated in the notice of redemption and shall be entitled to the redemption price and any accumulated and unpaid dividends payable upon the redemption following the surrender.

(g) If notice of redemption of any shares of Series A Preferred Stock has been given and if the Company irrevocably sets aside the funds necessary for redemption in trust for the benefit of the holders of the shares of Series A Preferred Stock so called for redemption, then from and after the redemption date (unless the Company shall default in providing for the payment of the redemption price plus accumulated and unpaid dividends, if any), dividends will cease to accumulate on those shares of Series A Preferred Stock, those shares of Series A Preferred Stock shall no longer be deemed outstanding and all rights of the holders of those shares will terminate, except the right to receive the redemption price plus accumulated and unpaid dividends, if any, payable upon redemption.

(h) If any redemption date is not a Business Day, then the redemption price and accumulated and unpaid dividends, if any, payable upon redemption may be paid on the next Business Day and no interest, additional dividends or other sums will accumulate on the amount payable for the period from and after that redemption date to that next Business Day.

(i) If less than all of the outstanding Series A Preferred Stock is to be redeemed, the Series A Preferred Stock to be redeemed shall be selected pro rata (as nearly as may be practicable without creating fractional shares) or by any other equitable method the Company shall determine.

(j) In connection with any redemption of Series A Preferred Stock, the Company shall pay, in cash, any accumulated and unpaid dividends to, but not including, the redemption date, unless a redemption date falls after a Dividend Record Date and prior to the corresponding Dividend Payment Date, in which case each holder of Series A Preferred Stock at the close of business on such Dividend Record Date shall be entitled to the dividend payable on such shares on the corresponding Dividend Payment Date notwithstanding the redemption of such shares before such Dividend Payment Date. Except as provided in this Section 6(j), the Company will make no payment or allowance for unpaid dividends, whether or not in arrears, on shares of the Series A Preferred Stock to be redeemed.

(k) Unless full cumulative dividends on all shares of Series A Preferred Stock shall have been or contemporaneously are declared and paid or declared and a sum sufficient for the payment thereof has been or contemporaneously is set apart for payment for all past dividend periods, no shares of Series A Preferred Stock shall be redeemed unless all outstanding shares of Series A Preferred Stock are simultaneously redeemed, and the Company shall not purchase or otherwise acquire directly or indirectly any shares of Series A Preferred Stock (except by exchanging it for its capital stock ranking junior to the Series A Preferred Stock as to the payment of dividends, or the distribution of assets upon liquidation, dissolution, or winding up); provided, however, that the foregoing shall not prevent the purchase or acquisition by the Company of shares of Series A Preferred Stock pursuant to a purchase or exchange offer made on the same terms to holders of all outstanding shares of Series A Preferred Stock.

(l) Subject to applicable law, the Company may purchase shares of Series A Preferred Stock in the open market, by tender or by private agreement. Any shares of Series A Preferred Stock that the Company acquires may be retired and re-classified as authorized but unissued shares of Preferred Stock, without designation as to class or series, and may thereafter be reissued as any class or series of Preferred Stock.

7. Conversion Rights. The shares of Series A Preferred Stock are not convertible into or exchangeable for any other property or securities of the Company, except as provided in this Section 7.

(a) Upon the occurrence of a Change of Control, each holder of Series A Preferred Stock will have the right (unless, prior to the Change of Control Conversion Date, the Company has provided notice of its election to redeem some or all of the shares of Series A Preferred Stock held by such holder pursuant to Section 6, in which case such holder will have the right only with respect to shares of Series A Preferred Stock that are not called for redemption) to convert some or all of the shares of Series A Preferred Stock held by such holder (the "Change of Control Conversion Right") on the Change of Control Conversion Date into a number of shares of Common Stock per share of Series A Preferred Stock (the "Common Stock Conversion Consideration") equal to the lesser of: (i) the quotient obtained by dividing (x) the sum of the \$25.00 liquidation preference per share of Series A Preferred Stock plus the amount of any accumulated and unpaid dividends to, but not including, the Change of Control Conversion Date (unless the Change of Control Conversion Date is after a Dividend Record Date and prior to the corresponding Dividend Payment Date for the Series A Preferred Stock, in which case no additional amount for such accumulated and unpaid dividend will be included in this sum) by (y) the Common Stock Price (as defined below) (such quotient, the "Conversion Rate"); and (ii) 25.00, which we refer to as the "Share Cap," subject to adjustments provided in Section 7(a) below.

(b) The Share Cap is subject to pro rata adjustments for any share splits (including those effected pursuant to a distribution of Common Stock to existing holders of Common Stock), subdivisions or combinations (in each case, a "Share Split") with respect to Common Stock as follows: the adjusted Share Cap as the result of a Share Split will be the number of shares of Common Stock that is equivalent to the product obtained by multiplying (i) the Share Cap in effect immediately prior to such Share Split by (ii) a fraction, the numerator of which is the number of shares of Common Stock outstanding immediately after giving effect to such Share Split and the denominator of which is the number of shares of Common Stock outstanding immediately prior to such Share Split. For the avoidance of doubt, subject to the immediately succeeding sentence, the aggregate number of shares of Common Stock (or equivalent Alternative Conversion Consideration (as defined below), as applicable) issuable or deliverable, as applicable, in connection with the exercise of the Change of Control Conversion Right will not exceed 8,000,000 shares of Common Stock (or equivalent Alternative Consideration, as applicable) (the "Exchange Cap"). The Exchange Cap is subject to pro rata adjustments for any Share Splits on the same basis as the corresponding adjustment to the Share Cap.

(c) The “Change of Control Conversion Date” is the date the Series A Preferred Stock is to be converted, which will be a Business Day selected by the Company that is no fewer than 20 days nor more than 35 days after the date on which it provides the notice described in Section 7(h) to the holders of Series A Preferred Stock.

(d) The “Common Stock Price” is (i) if the consideration to be received in the Change of Control by the holders of Common Stock is solely cash, the amount of cash consideration per share of Common Stock, or (ii) if the consideration to be received in the Change of Control by holders of Common Stock is other than solely cash (x) the average of the closing sale prices per share of Common Stock (or, if no closing sale price is reported, the average of the closing bid and ask prices per share or, if more than one in either case, the average of the average closing bid and the average closing ask prices per share) for the ten consecutive trading days immediately preceding, but not including, the date on which such Change of Control occurred as reported on the principal U.S. securities exchange on which Common Stock is then traded, or (y) the average of the last quoted bid prices for Common Stock in the over-the-counter market as reported by Pink Sheets LLC or similar organization for the ten consecutive trading days immediately preceding, but not including, the date on which such Change of Control occurred, if Common Stock is not then listed for trading on a U.S. securities exchange.

(e) In the case of a Change of Control where Common Stock is or will be converted into cash, securities or other property or assets (including any combination thereof) (the “Alternative Form Consideration”), a holder of Series A Preferred Stock will receive upon conversion of such Series A Preferred Stock the kind and amount of Alternative Form Consideration which such holder would have owned or been entitled to receive upon the Change of Control had such holder held a number of shares of Common Stock equal to the Common Stock Conversion Consideration immediately prior to the effective time of the Change of Control (the “Alternative Conversion Consideration”). The Common Stock Conversion Consideration or the Alternative Conversion Consideration, whichever shall be applicable to a Change of Control, is referred to as the “Conversion Consideration.”

(f) If the holders of Common Stock have the opportunity to elect the form of consideration to be received in the Change of Control, the Conversion Consideration in respect of such Change of Control will be deemed to be the kind and amount of consideration actually received by holders of a majority of the outstanding shares of Common Stock that made or voted for such an election (if electing between two types of consideration) or holders of a plurality of the outstanding shares of Common Stock that made or voted for such an election (if electing between more than two types of consideration), as the case may be, and will be subject to any limitations to which all holders of Common Stock are subject, including, without limitation, pro rata reductions applicable to any portion of the consideration payable in such Change of Control.

(g) No fractional shares of Common Stock upon the conversion of the Series A Preferred Stock in connection with a Change of Control will be issued. Instead, the Company will make a cash payment equal to the value of such fractional shares based upon the Common Stock Price used in determining the Common Stock Conversion Consideration for such Change of Control.

(h) Within 15 days following the occurrence of a Change of Control, provided that the Company has not then exercised its right to redeem all shares of Series A Preferred Stock under Section 6, the Company will provide to holders of Series A Preferred Stock a notice of occurrence of the Change of Control that describes the resulting Change of Control Conversion Right, which notice shall be delivered to the holders of record of the shares of the Series A Preferred Stock at their addresses as they appear on the stock transfer records of the Company and shall state: (i) the events constituting the Change of Control; (ii) the date of the Change of Control; (iii) the last date on which the holders of Series A Preferred Stock may exercise their Change of Control Conversion Right; (iv) the method and period for calculating the Common Stock Price; (v) the Change of Control Conversion Date; (vi) that if, prior to the Change of Control Conversion Date, the Company has provided notice of its election to redeem all or any shares of Series A Preferred Stock, holders will not be able to convert the shares of Series A Preferred Stock called for redemption and such shares will be redeemed on the related redemption date, even if such shares have already been tendered for conversion pursuant to the Change of Control Conversion Right; (vii) if applicable, the type and amount of Alternative Conversion Consideration entitled to be received per share of Series A Preferred Stock; (viii) the name and address of the paying agent, transfer agent and conversion agent for the Series A Preferred Stock; (ix) the procedures that the holders of Series A Preferred Stock must follow to exercise the Change of Control Conversion Right (including procedures for surrendering shares for conversion through the facilities of a Depository (as defined below)), including the form of conversion notice to be delivered by such holders as described below; and (x) the last date on which holders of Series A Preferred Stock may withdraw shares surrendered for conversion and the procedures that such holders must follow to effect such a withdrawal.

(i) The Company shall also issue a press release containing such notice provided for in Section 7(h) for publication on any of Dow Jones & Company, Inc., Business Wire, PR Newswire or Bloomberg Business News (or, if these organizations are not in existence at the time of issuance of the press release, such other news or press organization as is reasonably calculated to broadly disseminate the relevant information to the public), and post a notice on its website, in any event prior to the opening of business on the first Business Day following any date on which it provides the notice provided for in Section 7(h) to the holders of Series A Preferred Stock.

(j) To exercise the Change of Control Conversion Right, the holders of Series A Preferred Stock will be required to deliver, on or before the close of business on the Change of Control Conversion Date, the certificates (if any) representing the shares of Series A Preferred Stock to be converted, duly endorsed for transfer (or, in the case of any shares of Series A Preferred Stock held in book-entry form through a Depository (as defined below) to deliver, on or before the close of business on the Change of Control Conversion Date, the shares of Series A Preferred Stock to be converted through the facilities of such Depository), together with a written conversion notice in the form provided by the Company, duly completed, to its transfer agent. The conversion notice must state: (i) the relevant Change of Control Conversion Date; (ii) the number of shares of Series A Preferred Stock to be converted; and (iii) that the Series A Preferred Stock is to be converted pursuant to the applicable provisions of the Series A Preferred Stock.

(k) Holders of Series A Preferred Stock may withdraw any notice of exercise of a Change of Control Conversion Right (in whole or in part) by a written notice of withdrawal delivered to the transfer agent of the Company prior to the close of business on the Business Day prior to the Change of Control Conversion Date. The notice of withdrawal delivered by any holder must state: (i) the number of withdrawn shares of Series A Preferred Stock; (ii) if certificated Series A Preferred Stock has been surrendered for conversion, the certificate numbers of the withdrawn shares of Series A Preferred Stock; and (iii) the number of shares of Series A Preferred Stock, if any, which remain subject to the holder's conversion notice.

(l) Notwithstanding anything to the contrary contained in Sections 7(j) and (k), if any shares of Series A Preferred Stock are held in book-entry form through The Depository Trust Company ("DTC") or a similar depository (each, a "Depository"), the conversion notice and/or the notice of withdrawal, as applicable, must comply with applicable procedures, if any, of the applicable Depository.

(m) Series A Preferred Stock as to which the Change of Control Conversion Right has been properly exercised and for which the conversion notice has not been properly withdrawn will be converted into the applicable Conversion Consideration in accordance with the Change of Control Conversion Right on the Change of Control Conversion Date, unless prior to the Change of Control Conversion Date the Company has provided notice of its election to redeem some or all of the shares of Series A Preferred Stock pursuant to Section 6, in which case only the shares of Series A Preferred Stock properly surrendered for conversion and not properly withdrawn that are not called for redemption will be converted. If the Company elects to redeem shares of Series A Preferred Stock that would otherwise be converted into the applicable Conversion Consideration on a Change of Control Conversion Date, such shares of Series A Preferred Stock will not be so converted and the holders of such shares will be entitled to receive on the applicable redemption date the redemption price as provided in Section 6.

(n) The Company shall deliver all securities, cash and any other property owing upon conversion no later than the third Business Day following the Change of Control Conversion Date. Notwithstanding the foregoing, the persons entitled to receive any shares of Common Stock or other securities delivered on conversion will be deemed to have become the holders of record thereof as of the Change of Control Conversion Date.

(o) In connection with the exercise of any Change of Control Conversion Right, the Company shall comply with all federal and state securities laws and stock exchange rules in connection with any conversion of Series A Preferred Stock into shares of Common Stock or other property.

(p) Notwithstanding anything to the contrary herein and except as otherwise required by law, the holders of record of shares of Series A Preferred Stock at the close of business on a Dividend Record Date will be entitled to receive the dividend payable on the corresponding Dividend Payment Date notwithstanding the conversion of those shares after such Dividend Record Date and on or prior to such Dividend Payment Date and, in such case, the full amount of such dividend shall be paid on such Dividend Payment Date to the persons who were the holders of record at the close of business on such Dividend Record Date. Except as provided in this Section 7(p), the Company will make no allowance for unpaid dividends that are not in arrears on the shares of Series A Preferred Stock to be converted.

8. Voting Rights.

(a) Holders of the Series A Preferred Stock will not have any voting rights, except as set forth in this Section 8 or as otherwise required by law. On each matter on which holders of Series A Preferred Stock are entitled to vote, each share of Series A Preferred Stock will be entitled to one vote, except that when shares of any other class or series of Preferred Stock the Company may issue have the right to vote with the Series A Preferred Stock as a single class on any matter, the Series A Preferred Stock and the shares of each such other class or series will have one vote for each \$25.00 of liquidation preference (excluding accumulated dividends).

(b) Whenever dividends on any shares of Series A Preferred Stock are in arrears for six or more quarterly dividend periods, whether or not consecutive, the number of directors constituting the Board of Directors will be automatically increased by two (if not already increased by two by reason of the election of directors by the holders of any other class or series of Preferred Stock the Company may issue upon which like voting rights have been conferred and are exercisable and with which the holders of Series A Preferred Stock are entitled to vote as a class with respect to the election of those two directors) and the holders of Series A Preferred Stock (voting separately as a class with all other classes or series of Preferred Stock that the Company may issue upon which like voting rights have been conferred and are exercisable and which are entitled to vote as a class with the Series A Preferred Stock in the election of those two directors) will be entitled to vote for the election of those two additional directors (the "Preferred Stock Directors") at a special meeting called by the Company at the request of the holders of record of at least 25% of the outstanding shares of Series A Preferred Stock or by the holders of any other class or series of Preferred Stock upon which like voting rights have been conferred and are exercisable and which are entitled to vote as a class with the Series A Preferred Stock in the election of those two Preferred Stock Directors (unless the request is received less than 90 days before the date fixed for the next annual or special meeting of shareholders of the Company, in which case, such vote will be held at the earlier of the next annual or special meeting of shareholders of the Company), and at each subsequent annual meeting until all dividends accumulated on the Series A Preferred Stock for all past dividend periods and the then current dividend period have been fully paid or declared and a sum sufficient for the payment thereof set aside for payment. In that case, the right of holders of the Series A Preferred Stock to elect any directors will cease and, unless there are other classes or series of Preferred Stock upon which like voting rights have been conferred and are exercisable, any directors elected by holders of the Series A Preferred Stock shall immediately resign and the number of directors constituting the Board of Directors shall be reduced accordingly. In no event shall the holders of Series A Preferred Stock be entitled under the voting rights under this Section 8 to elect a director that would cause the Company to fail to satisfy a requirement relating to director independence of any national securities exchange or quotation system on which any class or series of the capital stock of the Company is listed or quoted. For the avoidance of doubt, in no event shall the total number of directors elected by holders of the Series A Preferred Stock (voting separately as a class with all other classes or series of Preferred Stock the Company may issue upon which like voting rights have been conferred and are exercisable and which are entitled to vote as a class with the Series A Preferred Stock in the election of such directors) pursuant to the voting rights under this Section 8 exceed two.

(c) If a special meeting is not called by the Company within 30 days after request from the holders of Series A Preferred Stock as described in Section 8(b), then the holders of record of at least 25% of the outstanding shares of Series A Preferred Stock may designate a holder to call the meeting at the expense of the Company and such meeting may be called by the holder so designated upon notice similar to that required for annual meetings of stockholders and shall be held at the place designated by the holder calling such meeting. The Company shall pay all costs and expenses of calling and holding any meeting and of electing directors pursuant to Section 8(b), including, without limitation, the cost of preparing, reproducing and mailing the notice of such meeting, the cost of renting a room for such meeting to be held, and the cost of collecting and tabulating votes.

(d) If, at any time when the voting rights conferred upon the Series A Preferred Stock pursuant to Section 8(b) are exercisable, any vacancy in the office of a Preferred Stock Director elected pursuant to Section 8(b) shall occur, then such vacancy may be filled only by a written consent of the remaining Preferred Stock Director, or if none remains in office, by vote of the holders of record of the outstanding Series A Preferred Stock and any other classes or series of Preferred Stock upon which like voting rights have been conferred and are exercisable and which are entitled to vote as a class with the Series A Preferred Stock in the election of directors pursuant to Section 8(b). Any director elected or appointed pursuant to Section 8(b) may be removed only by the affirmative vote of holders of the outstanding Series A Preferred Stock and any other classes or series of Preferred Stock upon which like voting rights have been conferred and are exercisable and which classes or series of Preferred Stock are entitled to vote as a class with the Series A Preferred Stock in the election of directors pursuant to Section 8(b), such removal to be effected by the affirmative vote of a majority of the votes entitled to be cast by the holders of the outstanding Series A Preferred Stock and any such other classes or series of Preferred Stock, and may not be removed by the holders of the Common Stock.

(e) So long as any shares of Series A Preferred Stock remain outstanding, the Company will not, without the affirmative vote or consent of the holders of at least two-thirds of the shares of the Series A Preferred Stock outstanding at the time, given in person or by proxy, either in writing or at a meeting (voting together as a class with all other series of parity Preferred Stock that the Company may issue upon which like voting rights have been conferred and are exercisable), (i) authorize or create, or increase the authorized or issued amount of, any class or series of capital stock ranking senior to the Series A Preferred Stock with respect to payment of dividends or the distribution of assets upon liquidation, dissolution or winding up or reclassify any of the authorized capital stock of the Company into such shares, or create, authorize or issue any obligation or security convertible into or evidencing the right to purchase any such shares; or (ii) amend, alter, repeal or replace the Articles of Incorporation, including by way of merger, consolidation or otherwise in which the Company may or may not be the surviving entity, so as to materially and adversely affect and deprive holders of Series A Preferred Stock of any right, preference, privilege or voting power of the Series A Preferred Stock (each, an "Event"). An increase in the amount of the authorized Preferred Stock, including the Series A Preferred Stock, or the creation or issuance of any additional Series A Preferred Stock or other series of Preferred Stock that the Company may issue, or any increase in the

amount of authorized shares of such series, in each case ranking on a parity with or junior to the Series A Preferred Stock with respect to payment of dividends or the distribution of assets upon liquidation, dissolution or winding up, shall not be deemed to materially and adversely affect such rights, preferences, privileges or voting powers.

(f) Notwithstanding Section 8(e)(ii) above, if any Event set forth in Section 8(e)(ii) above materially and adversely affects any right, preference, privilege or voting power of the Series A Preferred Stock but not all series of parity Preferred Stock that the Company may issue upon which like voting rights have been conferred and are exercisable, the affirmative vote or consent of the holders of at least two-thirds of the shares of the Series A Preferred Stock and all such other similarly affected series, outstanding at the time (voting together as a class), given in person or by proxy, either in writing or at a meeting, shall be required in lieu of the vote or consent that would otherwise be required by Section 8(e)(ii).

(g) The voting rights provided for in this Section 8 will not apply if, at or prior to the time when the act with respect to which voting by holders of the Series A Preferred Stock would otherwise be required pursuant to this Section 8 shall be effected, all outstanding shares of Series A Preferred Stock shall have been redeemed or called for redemption upon proper notice and sufficient funds shall have been deposited in trust to effect such redemption pursuant to Section 6.

(h) Except as expressly stated in this Section 8 or as may be required by applicable law, the Series A Preferred Stock will not have any relative, participating, optional or other special voting rights or powers and the consent of the holders thereof shall not be required for the taking of any corporate action.

9. Information Rights. During any period in which the Company is not subject to Section 13 or 15(d) of the Exchange Act and any shares of Series A Preferred Stock are outstanding, the Company will use its best efforts to (i) transmit by mail (or other permissible means under the Exchange Act) to all holders of Series A Preferred Stock, as their names and addresses appear on the record books of the Company and without cost to such holders, copies of the annual reports on Form 10-K and quarterly reports on Form 10-Q that the Company would have been required to file with the Securities and Exchange Commission (the “SEC”) pursuant to Section 13 or 15(d) of the Exchange Act if it were subject thereto (other than any exhibits that would have been required); and (ii) promptly, upon request, supply copies of such reports to any holders or prospective holders of Series A Preferred Stock. The Company will use its best efforts to mail (or otherwise provide) the information to the holders of the Series A Preferred Stock within 15 days after the respective dates by which a periodic report on Form 10-K or Form 10-Q, as the case may be, in respect of such information would have been required to be filed with the SEC, if the Company were subject to Section 13 or 15(d) of the Exchange Act, in each case, based on the dates on which the Company would be required to file such periodic reports if it were a “non-accelerated filer” within the meaning of the Exchange Act.

10. No Preemptive Rights. No holders of the Series A Preferred Stock will, as holders of Series A Preferred Stock, have any preemptive rights to purchase or subscribe for Common Stock or any other security of the Company.

11. Record Holders. The Company and the transfer agent for the Series A Preferred Stock may deem and treat the record holder of any Series A Preferred Stock as the true and lawful owner thereof for all purposes, and neither the Company nor the transfer agent shall be affected by any notice to the contrary.
